Varenna, 16.09.2011

Dear Sirs,

Welcome to Varenna -

The Physical Festival of Varenna and the theme "Passion for light" made this meeting an extraordinary one -

Varenna, the Villa D'Este and the beautiful landscape all around it,

make a very unique setting -

Varenna is also very known for the hospitality of this unique school -

I thank all the people that have contributed to this excellent meeting success -

I hope to see of you a very good world and a very good ... see you again on our beautiful banks -

John
